

Wholesale Accessory Catalog

Issue 241

eangee[™]
home design

Eangee Home Design was founded in October of 2003 and started as a retail store in Lawrence, Kansas. Two years later, we shifted our focus to wholesale and began distributing our lighting products nationally to other retail shops. Now in our 21st year in business, we continue to grow and expand our product lines while maintaining the same principles on which the company was founded.

Eco-Friendly

- We are a founding member of the Sustainable Furnishings Council; a coalition of manufacturers, retailers, and designers dedicated to raising awareness and expanding the adoption of environmentally sustainable practices across the home furnishings industry.
- Our products are manufactured using materials that are sustainably harvested, non-toxic dyes, and water-based finishes.
- The natural materials used in our products are collected using methods that do not harm the environment.

Fair-Trade

- We view ourselves as partners with our manufacturers and continuously exchange ideas on how to improve production, product quality, and the health and well-being of the artisans that work to create the products we sell. We visit our manufacturers on a regular basis to ensure that our core mission is being followed.
- Our products are produced in the Philippines, a country that is fast growing, and progressive on ensuring workers' rights. It is also a country where many companies are run by women and their entrepreneurial efforts are encouraged.
- The artisans who make our pieces are paid a living wage, have access to continuing education, and work under dignified and safe conditions.

High-Quality

- The metal work featured in our products is hand-manipulated and welded into the artisanal shapes.
- The specific finishes used ensures the pieces will be durable and last over time.
- Products safe for outdoor use are sealed to protect against the elements.

Shipping

Eangee works hard to find the best shipping rates available. Unless otherwise specified, we ship using our house account. There are no minimums on opening orders or reorders.

Eangee will cap shipping at 15% for all orders over \$99 of the regular wholesale price on ground and freight shipments to the lower 48 states. Please note, this is a cap and in many cases shipping will fall below the cap no matter what the size of the order. We will always work to get you the lowest shipping rates possible.

There will be times that an item is out-of-stock. Our items are handmade specifically for our market and quality work does take time.

Drop Shipping

Eangee will drop ship to any location within the lower 48 states. A drop ship fee of \$6 per shipment (not per item) will be added and all drop ships are capped at 15% shipping for all orders over \$99 to the lower 48 states. We will drop ship outside of the lower 48 States if you can provide us with a prepaid label with which to ship.

Payment and Contact Information

Send payment to: PO Box 589, Lawrence, KS 66044

Ship to: 600 E 22nd Terrace, Lawrence, KS 66046

Phone: 785-856-2999 x103 Fax: 314-219-8581

Payment email address: AR@eangee.com

Claims, Damages, and Shortages

Please check orders immediately upon receipt. If a problem exists, contact us right away. Shortages and damages must be claimed within 5 days of receiving a shipment including submission of images of damage. Please note the following directions:

- Ground Shipments

Count your boxes carefully and only sign for the number of boxes that you receive. Check the packing list and make sure you received the right number of boxes. Occasionally, a box from a shipment may arrive a day after the other boxes. If there is damage to a box, contact us immediately and we will begin the claims process with our shipper.

- Freight Shipments

Count your boxes carefully on receipt and mark on freight bill any shortages or damage. Immediately open any boxes that show damage, dents or holes and mark such on the freight bill. Contact us and we will resolve all issues with the freight company. If you sign for the freight shipment as being in good condition, then no claim can be made.

- Returns

You must receive written approval from us prior to returning any item. There may be a 20% restocking fee unless a mistake has been made on our part. Merchandise not returned in original packaging or in original condition may not receive credit. Our items are handmade from natural materials, thus, actual colors and dimensions may vary slightly. Most natural materials may adjust a bit in different environments, however, we guarantee that the structural integrity and functionality will not be lost.

Meet the Artist

Babylyn Yap

Babylyn has been working with her artisan group for 10 years.

By working with this artisan group, she receives a living wage, safe working environment, access to affordable health care, and continuing education.

When asked about what she enjoys most about her work, Babylyn says, "I enjoyed what I do. I'm passionate about my work."

We offer free point-of-sale material to help you promote Eangee products in your store.

Request signage on your next order!

Eco-Friendly

It means using materials that are sustainably harvested, non-toxic dyes, and low-impact, water-based finishes.

Fair-Trade

It means the artists who make our pieces are paid living wages, have access to continuing education, quality housing, and a dignified, safe working environment.
